An Interview With:

## **SIMON DYSON**

**Q. A couple of comments, your overall thought of the day?**

SIMON DYSON: I played great. Even my bogeys, I wasn't hitting bad shots. It's just when it comes down to a bit of luck, I didn't get it.

**Q. You were in a divot on 18.**

SIMON DYSON: I thought I hit a great putt that just bounced left on a spike mark. Didn't want it back, four foot from the hole.

**Q. It's a week where you must be really pleased.**

SIMON DYSON: This isn't one of my favourite courses to be quite honest, but it shows my mental strength. I was really dedicating myself really good the last two years and in the gym and just finished in the top third last week.

**Q. You know how tiring it is physically.**

SIMON DYSON: Yeah, you still see the shots better and stuff like that.

**Q. Did you feel you were going to need a par at the last to win the title?**

SIMON DYSON: Yeah, he hit his tee shot -- you don't want the lie I got. That's the one thing you don't want. I've hit the perfect tee shot. And it was smacked down and I thought I played a great 7-iron. It just caught a gust at the end and came up short. I thought I played quite a good chip, lot of spin on it and just took a heavy bounce.

**Q. You're moving up, but you can tell the way you performed the last day of Tulsa, you can see things going the right direction, can't you.**

SIMON DYSON: Yeah, take credit from what you did in America and try to do it today, and I did. I was 2-over at one point and got back to 2-under. It was a good week, good week.
